Operation Christmas Child

Today is the day. Today, all of us get to pack special shoeboxes for kids around the world with Operation Christmas Child. As we pray over the boxes in service, please pray that these children, who are often caught in the middle of war or famine or natural disasters, will feel loved.

These boxes may be the only gifts they ever receive. And although the toys, clothing, soap, washcloths, toothbrushes, flashlights, etc. are so needed, the best gift they will receive is an introduction to Jesus.

Operation Christmas Child seeks to demonstrate God's love in a tangible way through each shoebox gift. One of the core values is to never be manipulative. They work in and through local volunteers in each country that understand their context and are respectful to the people they serve. At the same time, they do seek to share the Gospel wherever they go. As a result, boys and girls grow in Christ and share with friends and family. This often brings parents, siblings and friends to accept Christ and become active members in the local church. Families are reached, churches grow, new churches are started, and communities are transformed.

You are a part of this. You are a part of reaching children throughout the world. So, at the end of service today, bring your shoebox and head over to the gym to pack the boxes (we've got specific rows for boy & girl boxes). And we've got a sandwich potluck in the Fellowship Room if you're hungry. If you can't participate, we're still collecting money to help with shipping.

Thank you for making this a success!
