Orphan Sunday

As we focus on orphans this Sunday, we have a special guest speaker who has dedicated many years of his life to the care of children. Randy Schow is the Executive Director of the Mountain States Children's Home in Longmont, Colorado. He has been married to his wife, Janice,

for 41 years. They have 3 of their own children, plus they have taken in 4 other children into their home. Randy has served in Christian Child Care for 35 years with the last 24 years at Mountain States Children's Home as the Executive Director. He loves to see children reach their God given potential.

The Eugene Church of Christ supports the children's home both through our regular giving and the change for children cans contributed by individual church members and friends. Please welcome Randy this morning and learn more about the children in Colorado whose lives we can impact.

"Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world." - James 1:27

CRF

CHRISTIAN RELIEF FUND

With programs in more than 20 countries worldwide, Christian Relief Fund is on a mission to help children living in poverty grow intellectually, physically, spiritually and socially. Our child sponsors are matched one-to-one with orphans and vulnerable children. Because of our sponsors' emotional, spiritual and financial support, our children can escape the cycle of poverty and make change in their communities. Information is available in the foyer about how to sponsor a child. You can also see photos and hear stories about children who are sponsored my members of this congregation.

Mountain States Children's Home

Mountain States Children's Home extends Christian services to wounded children in an effort to meet their physical needs, heal their emotional hurts, challenge their minds and teach them moral principles, in order to reach the goals of reuniting them with their families or preparing for independence. This is accomplished utilizing a family model of care, strengthened by professional counselors and teachers. Change for Children cans are available in the foyer. This is an easy way to help support this work. Filled cans will be picked up next summer.
