WE'RE BLESSED

The last couple of weeks we've experienced some inconvenience we're not real used to having happen: ice storm, snow and cold weather; temperatures in the teens, etc. While that slowed us down some, it also showed us just how really convenient we really have it here. This weather also showed us just how much we depend upon, and take for granted all of the conveniences we do have i.e. flip a switch, push a button, turn a key....and things happen which we expect to happen.

It's just how we adapt to these situations. Is this bad or good? Let's look at the positive: our ice storm created a lot of beauty with ice on the trees, and the sun shining on it making it all sparkle. No much is more beautiful than new fallen snow, and watching the snowflakes fall. Ah, the beauty of nature!! A lot of pictures were taken of these scenes and shown on TV, and in news papers.

No matter just how much we were inconvenienced, we should always stop and think how truly we are blessed. The Apostle Paul gives good examples for us that no matter what circumstances we're in, we can still be joyous and give thanks to God. As Christians let us give thanks to God, no matter what our circumstances are, and be joyous!!
