Life Groups - Part 4

During the month of September, this bulletin space has been devoted to unpacking the scriptural example of small groups. This is the last of a four part series by Dr. Dan Williams, a long time minister and expert on small group ministries in the churches of Christ.

Finally, there are those who might be concerned that meeting in small groups will cause division within the church. Our experience with small groups is that, far from "dividing" the church, they created much stronger bonds of fellowship, bonding, and unity by allowing for a much more personal level of fellowship than would ever be experienced simply by sitting in pews looking at the back of your fellow Christians' head every Lord's Day. By contrast, I can show you dozens of congregations that are deeply divided despite the fact that they share the same physical space every Sunday morning!

In short, small groups are described in scripture; the concept is amply demonstrated in the New Testament; when done right, their study format deepens the participants' knowledge of the Bible; and their more personal, interactive format provides an excellent method for fulfilling the command in Hebrews 10:25 to "encourage one another."

I hope these thoughts have provided a helpful perspective for our family members as we begin this ministry format.

Most of our Life Groups will begin meeting next Sunday, September 10. If you have not already, please consider signing up for a group today. It is another way we can continue growing, working, sharing, together.

- Brian

Welcome!

If you are a guest today, we are glad you're here. If you have children, there are a couple ways we can serve you. There is an attended nursery available during the entire service in room 1. During the sermon, Children's Bible Hour for ages 3 through 3rd grade meets in room 6. These rooms are on the west hallway. Thank you for joining us today! We hope you are blessed by your visit.

boxes for this year. On
the back table in the
auditorium.

We have been blessed recently with several new church members. To help us all with names and faces, we will be updating the photo board in the foyer. If you are a new member and have not had your photo taken, or your family would like an updated picture on the board; please meet Tyler Claxton by the offices after worship today.

Change-a-Life Mountain States Children's Home

Please finish filling your change cans for Mountain States Children's Home. The goal is \$62,000 to offset costs for clothing and perishable food items. The deadline to return change cans has been extended to **Sunday, September 10, 2017**. Lets all get excited about children that can and will be helped by this campaign.

SOLE HOPE

Sole Hope parties have become so popular that the organization has received a large amount of unsponsored shoes. As a result they are not able to accept shoes that are not sponsored at this time. We have 40 pairs of shoes we were not able to send from our last party due to lack of funds. In an effort to sponsor those shoes we will be having a pop can & bottle drive. Please bring in your bottles & cans to the church building.
