

EUGENE CHURCH OF CHRIST

GROWING, WORKING, SHARING...TOGETHER

OPPORTUNITY

This coming weekend this congregation will have a fantastic opportunity. We will have most of our own younger people here as well as young people coming from congregations throughout this entire area along with many older people as chaperones and transportation. They will be here to learn more about living a Christ centered life and the joys associated with it. At times for those of us who are older in years opportunity may seem disguised as a higher level of noise or crowds where we are not accustomed to crowds. If it seems different, rather than thinking I wish it were not this way, we should take note of the tremendous opportunity and take the time to stop and offer a prayer of thanksgiving to Almighty God for the ability we have as a united congregation to be able to sponsor such an event. Remember we teach the need for those who are turning to a life of commitment to our Lord and Savior to hear, believe, repent, and confess our Lord before others. These aren't one time actions, but rather actions we must continue throughout a faithful life. As we make a special event to encourage our younger people, let us not forget that all of us at whatever age need to be strengthened in service and commitment to God. Let's all use the event to help everyone. —Carl

SCRIPTURE READING: Philippians 2:9-11

⁹ Therefore God exalted him to the highest place and gave him the name that is above every name, ¹⁰ that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, ¹¹ and every tongue acknowledge that Jesus Christ is Lord, to the glory of God the Father.

Love

This Valentine's Day breakdown comes from CNN.com. Americans spend quite a bit of money to show their love on Valentine's Day. Here's a breakdown, by the numbers:

- \$130.97 -- The per person average estimated amount that people will spend on Valentine's Day.
- 224 million -- The estimated number of roses grown for Valentine's Day.
- 51% -- The percentage of people who buy red roses for this holiday.
- 64% -- The percentage of men who buy flowers for Valentine's Day.
- 36% -- The percentage of women who buy flowers for Valentine's Day.
- \$18.6 billion -- The total spending that will be reached by Valentine's Day.
- \$1.6 billion -- The amount people will spend on candy.
- \$1.9 billion -- The amount people will spend on flowers.
- \$4.4 billion -- The amount people will spend on diamonds, gold and silver.

And one of the best statistics: there are 1400 varieties of Valentine's cards available at Hallmark. 1400 ways to express love. As eloquent as Hallmark may be, the best description of love is found in 1 Corinthians 13 and it has little to do with romance. There Paul writes, "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails." Let's show this kind of love this Valentine's Day and every day. - Brian
